Credit score	682
Years in business	5.8
Prior default	No
Missing documents	beneficial_ownership_certification

Business Purpose

Northstar Custom Cabinets LLC requests working capital and equipment financing to purchase a CNC router, expand finishing capacity, and support payroll during a seasonal order backlog. Management expects the equipment upgrade to reduce outsourced milling expense and support four incremental production roles over the next 12 months.

Ownership And Management

Owner	Role	Ownership	Credit Score
Maya Patel	Managing Member	70%	682
Daniel Ortiz	Operations Partner	30%	699

Management has operated the shop for 5.8 years. The company has no recorded federal debt default and no bankruptcy history. A beneficial ownership certification is pending final signature from the minority owner.

Financial Snapshot

Metric	FY 2024	Trailing 12 Months
Gross revenue	\$1,420,000	\$1,610,000
Net operating income	\$186,000	\$214,000
Existing monthly debt service	\$7,900	\$7,900
Projected new monthly debt service	\$5,640	\$5,640
Estimated DSCR after loan	1.31x	1.42x

Collateral And Repayment

Primary repayment source is business cash flow from signed commercial and residential cabinet contracts. Proposed collateral includes the new CNC equipment, existing shop equipment, business assets, and personal guarantees from all owners. The borrower reports no prior default, but the lender file notes that the beneficial ownership certification is still missing.

Documentation Checklist

Document	Status	Notes
Business tax returns - 2 years	Received	FY 2023 and FY 2024 uploaded
Interim financial statements	Received	As of latest quarter
Debt schedule	Received	Matches stated existing debt service
Owner credit authorization	Received	All owners authorized pull
Beneficial ownership certification	Missing	Minority owner signature pending
Use of proceeds statement	Received	Equipment quote attached

Loan Officer Notes

The application is generally complete and the borrower has stable operating history. The missing beneficial ownership certification should be resolved before closing. Credit profile is acceptable but not pristine, so the file should be reviewed for documentation completeness and repayment support rather than auto-approved without conditions.
